Proofs of the Submissions

The screenshot shows the Kaggle interface for the 'ML Olympiad - Sustainable Urban Living' competition. The left sidebar contains navigation links: Home, Competitions, Datasets, Models, Code, Discussions, Learn, More, Your Work, and View Active Events. The main content area displays the 'Submissions' tab, which includes a search bar, a 'Submit Prediction' button, and a list of submissions. The submissions are filtered by 'Auto-selection candidates' and sorted by 'Recent'. The table lists five submissions, each with a status icon (green checkmark), a filename, completion time, public score, and a select checkbox.
